

Looking for an outstanding Common Core resource for parents?

Education non-profit **GreatSchools** has created more than 120 videos in English and Spanish that detail Common Core expectations for students in kindergarten through fifth grade.

The short videos are meant to help parents better understand what children should know how to do and when.

Examples

Grade 1 Reading:

- Can your 1st grader figure out the meaning of words?
- Does your 1st grader show understanding like this?

Grade 4 Writing:

- What does 4th grade writing look like?
- Can a 4th grader do research for an essay?

Grade 1 Math:

- How easily does your first grader add and subtract?
- Can your first grader tackle word problems?

Check out the videos: <http://www.greatschools.org/gk/milestones/>

On the main page there is also a short overview video explaining the project.
(1:13 min)

There is a button in the upper right to translate to Spanish.
