

The Oregon Department of Education is implementing new Health Education Standards in 2018. Join Sasha Grenier, Sexual Health and School Health Specialist from the Oregon Department of Education, in a discussion of:

- Oregon's new Human Sexuality Health Education standards
- Legal requirements around human sexuality education and violence prevention
- What these new standards look like in practice
- Roles of caregivers and educators in human sexuality education

Thursday, October 18th

5:30-7:00 pm

David Douglas District Office, Upstairs Conference Room

Interpreters will be provided in Spanish, Russian, and Vietnamese. If another language is required please contact Cheryl O'Brien at 503-261-8228 by October 12th.
