The YMCA is coming to Earl Boyles Elementary!

Winter Break Camp

Come join the YMCA this Winter Break for exciting field trips, games, crafts, nature activities and more. YMCA Day Camps are designed to engage a broad range of interests, enrich young minds and strengthen bodies. Camp will operate December 24-January 4 (Closed on Christmas and New Year's Day). Look for the YMCA registration form to apply.

Before and After School Enrichment

With a focus on safety, health, social growth and academic enhancement, YMCA school enrichment programs help children learn to be their best selves. Flexible scheduling allows part-time and full-time options with morning care, afterschool care, or both in a variety of packages to meet your family's needs. We also offer financial assistance for families that qualify. At least eight children must register before this program can run.

For more information and to get your child registered, please contact our Program Office at 503-327-0007 or email ychildcare@ymcacw.org.

Dear Earl Boyles School Families:

During these past two years of working as a Community Health Worker at your school, it has been a pleasure to share so many positive experiences with this lovely community.

I have accepted a position at an organization called "Familias en Acción" and will be leaving Earl Boyles and IRCO, but will continue to work in a supportive role, directly with Latino families.

My colleague Linda M. Nguyen, an experienced, Community Health Worker will take my position as Earl Boyles Community Health Worker, starting on January 1, 2019, please don't hesitate to contact her at 503-505-8340 or email lindamn@irco.org. You can also contact our Supervisor Keara Rodela, at 971-344-9287 or email kearar@irco.org

I would like to thank each of you personally for your trust as well as for accepting me as part of your community. These years have meant a period of growth, learning, and much happiness. I am going to miss you all! Thank you so much.

Yours truly,
Rebeca J Marquez
