

Hello Community Partners!

Mark your calendars and tell families with children under 5 to come see us on **Monday April 22nd** anytime between 11am and 6pm! They can grab some free lunch and access the Food Banks Free Food Market while they are signing their child/ren up for Early Head Start/Head Start. Need help with OHP, SNAP, rent help, medical or dental concerns? all our community partners will be there too! Come spend the day with us!

Choose from a variety of programs, home visiting services, 3.5, 6.5, and 8 hr classes including the Student program and child care subsidies with children who live in East Multnomah County. I have attached the Application Event Flyers and program specific flyers as well.

Can you take a moment and share a flyer with your contacts? Share on [FACEBOOK CLICK HERE](#)? Tell a friend? Post at your local grocery store, laundry mat, community center? If you need flyers let us know. This will help us outreach East County and get the word out that we are accepting applications and will be selecting families for this year and our next program year EARLY and throughout the summer.

Last 2 events (11 a.m.–6 p.m.):

› **April 22, Hope International Baptist Church, 11242 SE Holgate Blvd., Portland**

› **June 3, East County Church of Christ, 24375 SE Stark St., Gresham**

If you know of any families that need a ride to the event they can call the front office to sign up for rides for the April event by Friday 12p
