Principal's Corner

In this time of Thanksgiving, I want to express my appreciation for you. Serving this community has been an amazing opportunity. I appreciate your love for your children, your partnership in their education, your support, and your persistence through very challenging times over the last 20 months.

Sending good wishes to you this Thanksgiving! Good food that fills your table, good health as you work hard, gratitude in your being, and good times with family and friends.

May the good things of life be yours in abundance, not only at Thanksgiving but throughout the coming year. May you have all the best delights in life.

Happy Thanksgiving!

Toolbox

This year we will continue to use Toolbox as part of our Social-emotional curriculum for all students. Toolbox teaches students problem-solving skills and strategies for managing challenging emotions. Each month we will highlight a few of the tools here. Be sure to ask your student which tool they are learning about in class, so you can practice together at home!

Garbage Can Tool: *I let the little things go.*

Taking Time Tool: *I take time-in and time-away.*

Please & Thank You Tool: *I treat others with kindness and appreciation.*
